The 2008 Olympic Venue in Tianjin brings strong cohesion and influence. The Olympic Time Apartment is located at the core influential area of the Olympic Venue. It will play an important role in connecting the whole Nankai cultural area and the emerging western area. Taking advantages of adjacent waterfront parks, Olympic Sports Center, Olympic Time Business District, we put forward the design concept of "Grand City Club" and conduct comprehensive planning with focuses on details accordingly. The interior design of this building pays attention on privacy of personal space and demands on public space.
